Dear _____,

I am writing to share with you a new and exciting arts opportunity for home-school families!

Dance Education By Design offers classes specifically for home-school families that follow the NC Essential Standards for Arts Education, allowing your students an arts experience that is similar in scope to conventional schools, taught by highly qualified, experienced dance educators.

Students will learn and experience:

- Technique
- Creation and Performance
- Critical Evaluation
- Cultural, Historical, and Interdisciplinary Connections

Classes are offered during the day and can be tailored to suit the needs of your family or group. Your classes can serve as a stand-alone arts credit or in addition to any current arts training.

In 2016, we are excited to offer classes in both Greensboro and Burlington. Greensboro classes will be offered in the Greensboro Cultural Center and Burlington classes will be offered through Burlington Academy of Dance and Arts. Additionally, if your family or group already has a suitable space for movement, we can travel to you, depending on location.

We are excited about the possibility of providing your students with the best dance instruction to fit their needs. For more information, please visit our website or email us today.

Best wishes on a successful 2016!
